

# Win a Stillage of World Cup Beer With Clayton Glass!

Clayton Glass will be helping its customers celebrate the World Cup in style with a huge beer raffle across this footballing month, and what's more to enter you need to do absolutely nothing!

Throughout the World Cup, every order placed with us will count as one 'ticket' to be entered into one of four weekly prize draws, each winning a quarter share of the stillage below. The winning order numbers will be drawn each Friday, and chosen at random from that week's intake. The first draw will take place on Friday 16<sup>th</sup> June, with the last being drawn Friday 7<sup>th</sup> July in time for the final. All winners will be notified in due course, but to check if you are one of the lucky few and to claim your prize immediately simply visit [www.claytonglass.co.uk](http://www.claytonglass.co.uk) where the winning order number will be posted each week.

So remember to save those order confirmations, visit our website and see if you and your company will be calling us to claim this special prize!

The stillage will be delivered to your premises in time to be chilled for the weekend but be warned, make sure a forklift is available! Sadly, we can't guarantee an England final, but we can make sure that a few lucky customers and their employees can enjoy the summer of football in style!

For further details please talk to a member of the sales team, but remember in order to qualify for inclusion in the draw it's just business as usual, but with fingers crossed!

Good Luck!
